

Street Child United Inspire Qatar Academy Doha Primary

On Monday 10th October, the Street Child United delegations for Brazil and Mauritius visited Qatar Academy Doha Primary.

Street Child United is charity that uses the power of sport to support disadvantaged children so that they can have the opportunity, protection, and support that they need to build better communities in their home countries.

The Street Child United World Cup 2022 is taking place in Oxygen Park, Education City, Doha from Tuesday 11th October to Saturday 15th October. We feel excited and enthusiastic about hosting this wonderful tournament in Qatar.

These remarkable young adults are representing 25 unique countries – organized into 15 boys teams and 13 girls teams.

Before the tournament kicked off, Street Child United delegations joined workshops, informative sessions, and visited different schools to entertain and motivate students.

Football bringing Brazil and Qatar together

Diana Pano, a Street Child United volunteer working with Team Mauritius said: “QAD welcomed us with open arms, a big smile, and kind words. We could breathe their open-mindedness, positive mindset, and ability to provide unique learning opportunities. The football session brought all students together. Thank you QAD, you made our day! What a wonderful time!”

Qatar Academy Doha students were excited to greet Street Child United players

“Street Child United makes a difference to the lives of disadvantaged children around the world. I am pleased that they are getting the opportunity to visit us in Qatar.” – Ghalia Al Darwish, Grade 5 Student

Argentinean Flavors Delight Students

On Thursday 13th October, students celebrated QAD’s FIFA Food Flavors once again. This week, we focused on Argentina, and wore light blue and white to celebrate.

During lunchtime, our culinary adventure started with students watching highlights of matches featuring Argentinean stars such as Lionel Messi, Sergio Agüero, and Diego Maradona. It was very entertaining!

Our exceptional cafeteria staff prepared the recipes for a mouthwatering menu showing off Argentinean dishes such as chimichurri, carbonada criolla, and vegetales en escabeche.

His Excellency Ambassador Guillermo L. Nicolás and Deputy Head of Mission Manuel A. Paz took time to visit our school – What an honor!

Students are highly appreciative for the chance to learn about so many intriguing countries. The upcoming FIFA World Cup 2022 tournament is a phenomenal opportunity to get to know more about the world outside of Qatar – and we are making the most of it!

Students wore Brazil’s yellow and green colors to welcome Street Child United

Students loved the chance to hear about the stories and adventures that these children had experienced in their countries, and how excited they felt about being in Qatar.

Over the last six weeks, QAD students have been busy designing (and 3D printing!) the trophies and medals that the winners of the Street Child United World Cup will take home after the finals – Go to Oxygen Park at 3:30pm on Saturday 15th October to show your support!

If you care about these children and their communities, please visit this link to take action by donating as much as you desire: streetchildunited.org – Thank you for your kindness.
